Dear Dr:

I am sure by this time you have commenced to wonder why I have not answered your letter. Well I have been waiting to hear from Mr. Greer about the Red Caps. I do not know why he does not answer, unless he is trying to get a better game for Easter Sunday. I do not want to withdraw my offer to him until I hear from him. However if we are going to play in Daytona Beach Easter Sunday, we must get the publicity started soon. I am going to send him a wire today, and tell him I must have an answer from him at once.

I had also received a letter from Mr. Johnson about the Mohawks, I also had one from Oscar Charleston about a team he is going to manage out of Indianapolis this summer. I will close the date with one team or the other in the next two days, and you can expect to hear from me. I will send you the name of the team so you can start publicity.

It looks now like I will have 17 or 18 men in camp. I will let you know the exact number in time for you to get rooms for them all.

Expect to hear from me in the next day or two with all detailed information.

Very Truly Yours

P.S. The Homestead Grays want to play us in Daytona Beach, and also The Cubans. I do not think the town will stand too much baseball. What do you think?
